## WHY CAREPEOPLE IS THE BEST HOMECARE FOR YOU?

CarePeople nursing staff and bilingual Care Coordinators could help immigration families find the best option in their family long term care instead of nursing home placement.

We believe that the best Long Term Care option for the immigration family could be the CarePeople home care service surrounded by their language-speaking community origin PCAs and nursing staff, so they can celebrate their culture and enjoy their food at home by meeting their friends and neighbors at home.

“I feel safe and happy through CarePeople staff because we can remain active and independent in the comfort of our home”

“When You Entered Someone’s Home,  
You Entered Their Life”
